

2009 Congress NYATT Application

Postmarked or emailed to Jill by August 5

Name _____

AQHA # _____

Horse's Name _____

Horse's AQHA # _____

Events you would like to be considered for (please rank in order of highest preference first):

Please attach an essay not longer than one page telling what positive attributes you would bring to the team from Vermont, including strengths of horse and rider, attitude and team spirit, which would allow the Vermont team to be successful and have a feeling of camaraderie and fun throughout the show.

By submitting my letter of intent and signing below, I am informing you that I am interested in the above activities. I agree to personally participate in the fundraising required for these events. I know that this is not a commitment, but once a commitment is made I am responsible to read over all information and be aware of what my responsibilities are, to make practice meetings, do assignments, to try my best, stay positive and keep in contact with the coach and/or Youth Advisors. If at some point I feel that I cannot uphold these obligations, I must notify the coach and/or Youth Advisor immediately. I understand that no travel arrangements will be made for me and no funding is promised other than the entry fee for the team if required. All individual class fees and travel expenses will be paid by me unless specified otherwise. I have read over the VQHYA policies and procedures and understand what the requirements are to participate on a VQHYA team.

Youth signature _____ Date _____

Parent signature _____ Date _____
