ASSOCIATION

## VQHIA MEMBERSHIP APPLICATION

VQIIA is an affiliate organization of the parent organization, AQHA, and welcomes all people to join and participate.

Youth Membership: **\$10.00**

Includes subscription to the VQI-IA newsletter and allows the youth to participate in all VQHIA meetings and events. Make dues payable to VQHIA.

**Note:**

In the past VQHIA members overwhelmingly have joined the parent organization of VQHA to compete for end of year awards as well as joining the VQHIA. Many of these youths were also enrolled in VQHA by virtue of being part of a family membership unit. As youth membership has flourished under the guidance and mentoring of our Youth Leader(s) we are finding individual youths joining the VQHIA who also are looking to participate, earn points and be eligible for VQHIA year end awards. In order to eliminate any confusion VQHIA Youth membership does not make the youth eligible for VQHA year-end awards **The youth must be a member of VQIZIA, either as an individual VQHIA Youth Membership or as a component piece of a VQHA Family Membership, in order to be eligible for VQHA year-end awards.**
